PRESENT YOUR BEST SELF

HP E24mv CONFERENCING MONITOR

No matter how loud your environment is, **always get crystal clear audio** with front-firing speakers.

Always look your best in any environment with the tilt-adjustable 5MP Camera

Keep your desk clean by **connecting other devices** with the USB Hub.

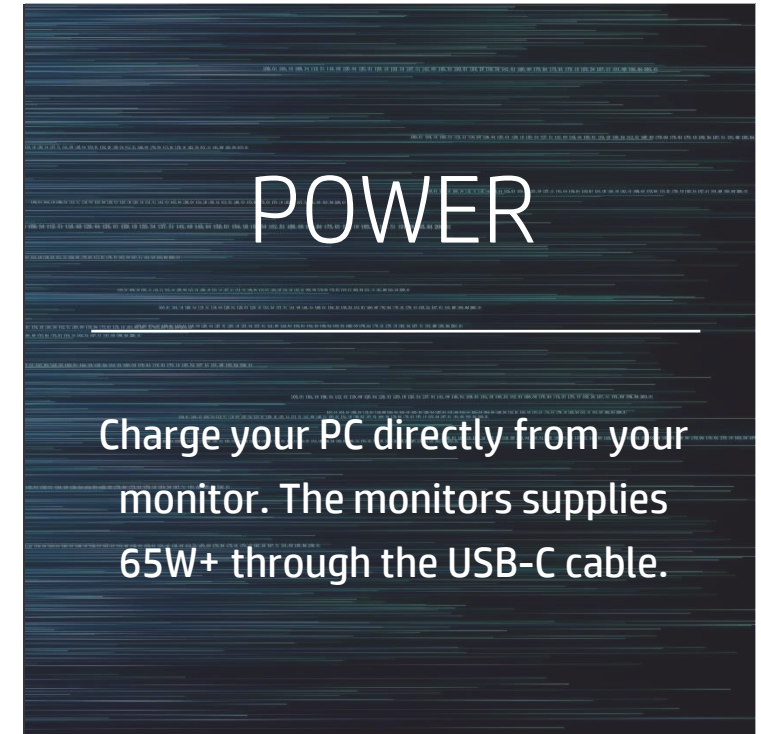

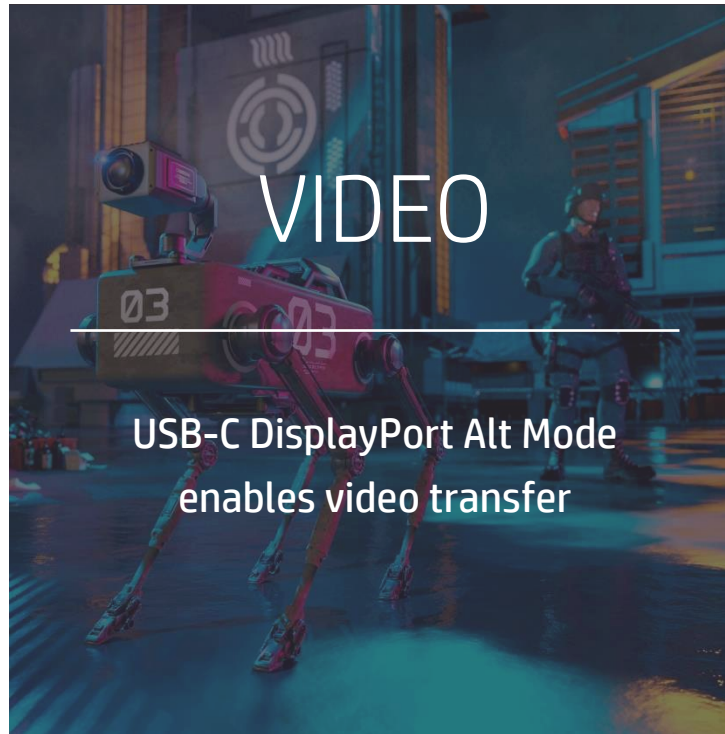

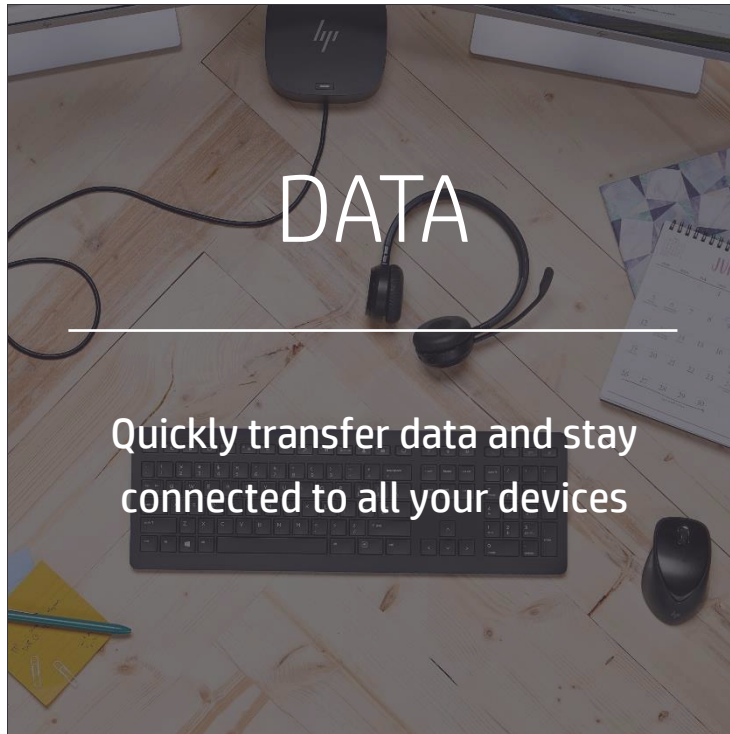

ONE CABLE DOES IT ALL

USB-C® VIDEO, DATA, AND POWER

86%
USB-C® adoption
rate in laptop PCs
by 2022¹⁰

Clean up your workspace by reducing cables. Instead of needing three separate cables, now a single USB-C cable does it all- transmits video and data from your laptop to monitor while charging your laptop at the same time.

USB-C® Docking Monitors

DRIVE YOUR WORKSPACE FROM USB-C®™

Connect, charge, and power your PC up to 100W through one USB-C® cable.

INTEGRATED MIC AND WEBCAM
